Admission Policy

The goal of Hiroshima University Graduate School Leader Education Program: TAOYAKA Program for Creating a Flexible, Enduring, Peaceful Society is to foster students to be leaders who will support a multicultural-coexistence society. With the collaboration and cooperation of educational research institutions at home and abroad, TAOYAKA Program offers a deep understanding of regional cultures and societies nurtured in various ways through time and space. Based on this, students will find and study the most advanced science and technology necessary to conquer issues faced by these regions. TAOYAKA Program, a five-year Ph. D. program, has been implemented to foster independence, the ability to execute, multilateral thinking, and creativity-features needed in leaders who support a multicultural-coexistence society.

General Selection

The Program aims to train students to gain greater understanding of regional societies and cultures, develop skills and technology for resolving problems in disadvantaged regions based on their understanding, and implement their achievements in such regions. Through this training, the Program plans to develop global leaders who, through close cooperation with regional communities, contribute to the formation of societies founded on multicultural existence. In this spirit, the Program seeks students with the following qualifications.

1. Students who hope to contribute to social development by acquiring cross-disciplinary knowledge and skills.
2. Students with interest in cultures and problems in disadvantaged regions, who hope to contribute to their development.
3. Students who want to become leaders and participate in communities on the regional and international levels.
4. Students who are strongly motivated and possess the drive to take action and take responsibility and the capabilities to contribute actively and exercise leadership in society.

Transfer Admission into 3rd year

A transfer admission examination will be administered for graduate students wishing to transfer into TAOYAKA Program from the 3rd year of a five-year Ph. D. course (the 1st year of a doctoral course).

TAOYAKA Program seeks the following qualities in students to be admitted as transfer students.

1. That they have the expertise and techniques necessary to practice onsite innovation.
2. That they have an understanding of the vision of onsite team projects conducted by cross-disciplinary student teams starting in the 3rd year of the five-year Ph. D. course (the 1st year of the doctoral course).
3. That they have a high degree of knowledge regarding peaceful and multicultural coexistence.

Applications are welcomed from students for admission or transfer admission into TAOYAKA Program in October 2017 and April 2018, as indicated below.

*Before filing an application, be sure to familiarize yourself with the content of the TAOYAKA Program by referring to its website (<http://taoyaka.hiroshima-u.ac.jp/english/index.html>), leaflets, and other relevant materials.

2. Admission Requirements

Admission requirements for each selection type are indicated below.

General Selection

Person who satisfies any of the following eligibility requirements.

- (1) A person who has graduated from a Japanese university
- (2) A person who has completed a 16-year course of school education in a foreign country
- (3) A person who has been conferred a degree equivalent to a bachelor's degree through attending an overseas university or other overseas school (limited to those whose education and research activities have been evaluated by persons who have been certified by the relevant country's government or a related institution, or have been separately designated by the Ministry of Education, Culture, Sports, Science and Technology as being equivalent to such) and graduated from a program that requires 3 or more years to complete.
- (4) A person who has attained the age of 22 years and has been recognized through a separate admission screening at this university as having academic ability equal to, or greater than, a person graduated from a university
- (5) A person who has been enrolled in a university for at least 3 years (including a person designated by MEXT as having an equivalent education) and has been recognized as having acquired credits prescribed by This Graduate School with high marks
- (6) A person who is expected to qualify in any of the foregoing criteria by the date specified below
For Admission in October 2017: September 30, 2017
For Admission in April 2018: March 31, 2018

Notes:

- i. Persons seeking admission under Criterion (4) or (5) require preliminary evaluation. Please read the section on "3. Preliminary Evaluation of Admission Requirements".
- ii. The credit requirement for a person to apply for admission under Criterion (5) shall be acquisition of 80% or more of the credits required for graduation to be completed by the end of the third year in university, of which 90% or more have been acquired with "A" grade.
- iii. Person admitted on Criterion (5) who does not graduate from university after attending three or more years will be recorded as having withdrawn from the undergraduate course. Caution is required regarding this point, since such a person will lose eligibility for various national examinations, etc., due to the lack of a bachelor's degree.

Transfer Admission into 3rd year

Once admitted applicants have entered the University, the University will manage the data for use in matters relating to student support (such as scholarship applications and tuition fee exemption applications). These data will not be used for any other purposes or be seen by anyone except the faculty and staff members concerned of Hiroshima University. Provided that an agreement has been entered into regarding the appropriate use of personal information, there may be cases where related business is entrusted to companies outside the University for the purpose of processing said information by computer.

(7) Completion of application

After the TAOYAKA Program Office has confirmed receipt of the application fee and the application documents, the office will send you an email informing you of your examination number. If you don't receive the e-mail until May 30, 2017, please contact the TAOYAKA Program Office.

7. Educational Expenses

(1) Admission Fee: JPY 282,000

(2) Tuition Fee: JPY 535,800 (per year)

- ① Applicants who are expected to complete a program at a graduate school at Hiroshima University and will transfer to 3rd year of this Program do not need to pay the admission fee.
- ② Once the admission fee has been paid, it will not be refunded for any reason.
- ③ The above fees are as of March 2017. If these fees are revised at the time of your entrance to the University or during the course of your study, you will be asked to pay the revised amounts of fees.

8. Financial Support for Students

Students enrolled in the TAOYAKA Program will receive the following financial support. However, if a student withdraws from this program before its completion, the financial support shall be terminated at the time of the student's withdrawal.

(1) Scholarship without repayment requirement (estimated to be JPY 180,000 – 200,000 per month)

- ① Students who have a specified amount of income (students receiving other scholarships /financial aid and working adult students) may not be able to receive this scholarship. (Japanese Government scholarship students and other students who receive a scholarship must select whether to receive this scholarship or their current scholarship.) Students not receiving this scholarship will be exempted from paying the admission fee and the tuition fee.
- ② Because students who receive the scholarship without repayment requirement are mandated to dedicate themselves to this program, they are not allowed to engage in part-time jobs, etc., as a rule.
- ③ The amount of the scholarship without repayment requirement is reviewed every semester, based on each student's academic performance, research progress, and other evaluation results.
- ④ Based on the University's regulations, the amount of the scholarship without repayment requirement may be reduced, or the provision thereof may be suspended.
- ⑤ The scholarship is subject to taxation (income tax, resident tax). Recipients are required to be enrolled in National Health Insurance and National Pension Plan.
- ⑥ The scholarship will be provided until March 2020 (scholarships from April 2020 are undecided).

(2) Other expenses that may be necessary for students to conduct their studies will be provided within the amount set by this program.

9. Application for Persons who Require Special Arrangements

It is the responsibility of any applicant with a disability or who for any other reason requires special arrangements to submit an application form (no prescribed form) as follows.
